

Summer Symposium

Finger Lakes Community College
and
Canandaigua Academy

Agenda

8:30 AM	Coffee
9:00 – 9:30 AM	Welcome!
9:30 AM – 12:00 PM	Session 1: Passing the Baton “Passing the baton” allows participants the opportunity to consider the “hand off” as they send students from their own educational setting to the next. It also provides the group with the opportunity to spend some time discussing the classroom visits and what was gained, and finally, it offers the opportunity for participants to look at the things they have control over and proposed changes as we move forward. This session offers an opportunity to reflect, discuss and brainstorm in small and large group sessions.
12:00 – 1:15 PM	Lunch
1:15 – 2:45 PM	Session 2: “SSS” – small, significant, solvable problems) This session allows participants the opportunity to work on addressing small, significant problems within their own educational settings that can be solved with some sort of intervention. Participants will create an action plan for achieving their goals and share them with the group.
1:45 – 2:00 PM	Wrap Up and Conference Evaluations
